

Full-Time Occupational Therapist in Clinic Setting:

Speak Easy Speech Therapy is seeking a full-time Occupational Therapist to join our small private practice. We are looking for qualified candidates who want to be a part of a team, enjoy working with clients on site, are independent and who like to participate in collaborative processes with fellow coworkers. At Speak Easy Speech Therapy we work with an exciting range of interesting populations that include early intervention, feeding therapy, sensory integration, orofacial myology, traumatic brain injury and much more. We treat our employees as individual members of a greater team so tapping into some of your other hidden talents (eg. creating a bulletin board, writing a monthly newsletter, blogging, social media marketing etc.) helps to keep things interesting during your week of daily occupational therapy duties. So if you are an Occupational Therapist who loves working with families, is ready for something different, and wants to work in a flexible, progressive work environment we would love to hear from you. Training in Simon Says, Orofacial Myology (IAOM, QOM), Beckman, AEIOU, SOS, familiarity with Electronic Medical Records would be welcome.

General Requirements

This position requires a Master's degree in Speech Pathology or Communication Disorders, and a current State of New Hampshire Speech/Language Pathology license. Valid driver's license and access to a safe operating vehicle during scheduled working hours, as well as professional experience working with young children.

Benefits

We offer a competitive rate plus a comprehensive benefits package including, medical and dental insurance as well as paid time off
